JUBILEE PAGEANTS.
Two notable pageants, one at Chi-
cago and the other in Joliet, will be
notable features of the diamond jubilee
of the founding of the Chicago arch-
diocese and the silver jubilee of the
ordination of Archbishop Mundelein.
These pageants will be unique in
religious and educational circles, in
that they will be made up of the
children of the Catholic schools.
Magnificent floats and elaborate cos-
tumes will mark the different eras
represented by the various school uni-
ts. Every conceivable historic inci-
dent, from the preaching of St. Paul
to the Romans, down through the
ages to the discovery of America and
planting of the Cross on its soil, and
to the work of the Knights of Colum-
bus overseas, will be depicted.
The Chicago celebration will take
place on June 10, and that of Joliet,
which will include the schools of
Will and Grundy counties, on June
12. Mrs. Minna Schmidt, of Chicago,
will present a trip to Europe to
two Sisters of the Chicago school
winning the first prize as the best
unit in the local pageant.

OUR PEACE DAY.
Next Tuesday will be Peace day,
notwithstanding that peace with Ger-
many has not yet been declared and
unmurmuring of more war are prevail-
ing the world over.

which the Ebert Government was overthrown and the Monarchists placed in control. Inset left, Von Hin-
denberg, one of the leaders. Inset right, Gen. Baron Von Luetwitz, Minister of Defense in the new Ger-
man Government later overthrown.

ENJOYS MOVIES.

Writing to a friend in this city,
Mother Frances Xavier, Superior of
the Good Shepherd convent in De-

Xavier has many friends in
Louisville, as at one time she had
charge of the Madalenas at the

Gen. William B. Haldeman has re-
turned to his home, 517 West Orms-
by avenue, from St. Joseph's Infir-
mary, where he underwent an opera-
tion for the removal of gallstones
April 27. Gen. Haldeman was walk-
ing about Saturday, much improved
and in excellent spirits. "I'll be run-
ning with you boys yet," declared the
General, who will be seventy-four
years old in July.

LINCOLN.

The two weeks' mission conducted
at St. Paul church, Lexington, rank-
ed among the most successful ever
given in the Blue Grass country.
Equally gratifying to the pastor,
Rev. L. De Wargenaere, and the em-
inent Dominican missionaries,
Fathers Ripple and Maher. The ex-
ercises for the women found the
church filled every evening and
morning, and for a week the ven-
ue of the parish packed the sacred ed-
ifice to the walls. The mission closed
Sunday evening.

FORTY HOURS.

Forty Hours' devotions are design-
ated for the coming week at Holy
Trinity church. They will open to-
morrow morning with high mass and
impressive ceremony, continuing un-
til Tuesday. A number of clergy
from other churches will assist at

A large group of children, forty-
three girls and forty-nine boys, had
the happiness of receiving their first
holy communion Sunday morning at
St. Cecilia's church from the hands
of Rev. Father Craney and Rev.
Father Fallon. A short but impres-
sive sermon was delivered by Father
Craney, who spoke of the joy of the
occasion and congratulated parents
and children. In the evening at 7:30
the children were confirmed by Bishop
O'Donoghue, presenting a beautiful
picture of innocence and happi-
ness.

nounce the engagement of their

Clint Koerner.

dent of the Virginia-Alberne Cor-
poration, who died in New York last
month, bequeathed approximately
\$500,000 of his \$3,000,000 estate to
Catholic charitable institutions of
New York and Brooklyn.

BIG HEARTED JEW.

The Catholic Orphan Asylum in
Los Angeles was bequeathed \$25-
000 by the will of the Jewish bank-
er, I. W. Hellman, which was re-
cently filed for probate in San Fran-
cisco.

SCOUT TROOPS.

Two thousand troops of Catholic
Boy Scouts have been organized un-
der the auspices of the National
Catholic National Welfare Council,
according to Francis A. McCann, Sec-
retary of the Boy Scout Bureau. Ap-
proximately 75,000 boys are enrolled
in the troops already organized and
500 new troops are in process of or-
ganization.

GREATER STRAIN.

Willis—Did you ever read the
story of the sword of Damocles?
Just think of a man sitting through
a whole meal with a sword above
him suspended by a single hair.
Gillis—Bah! He isn't in it with
the woman who can dance serenely
with her whole wardrobe depending
on a dinky little shoulder-strap.

BETHLEHEM.

Bethlehem of Judea, where Jesus
was born, is today a city of about
10,000 persons of whom 6,000 are
Catholics. A large part of the
others belong to the Oriental Ortho-

Lord was born is still in existence
and overlooks the fields where shep-
herds watch their flocks.

PLEASURE RIDGE FESTIVAL.

The ladies of St. Paul's church,
Pleasure Ridge, are giving their best
efforts towards making their May
festival, which takes place next Tues-
day afternoon and evening, a grand
success. There is nothing being left
undone in their untiring zeal to see
that this affair outlives anything be-
fore held. They have many interest-
ing and amusing novelties, starting
at 3 and 8 o'clock. Buffet lunch will
be served at 6 o'clock. All are ex-
tended a cordial invitation and are
assured a very pleasant and agree-
able time.

RETREATS FOR LAYMEN.

Retreats for laymen and women
will be conducted by the Fathers of
the Society of the Divine Word at
Techy, Ill. They will be in En-
glish and German, beginning June 17,
and continuing weekly until late in
August. Particulars will be cheerfully
given upon writing to St. Mary's
Mission House or St. Ann's Home,
both located at Techy, Illinois.

YOUR LIBERTY BOND.

The United States Government
borrowed money from you to finance
the war. You hold the Government's
promise to pay you back. This prom-
ise is called a Liberty Bond or Vic-
tory Note. On this bond is stated
the conditions under which the Gov-
ernment borrowed the money from
you. If you keep your bond until the
date when the Government pays
you in full for it, you do not need to
worry if, in the meantime, the price
is low one day or high the next. The
best advice that can be given to the
owner of a Liberty Bond is this:
Hold the bond you bought during
the war; it is as safe and sound as
the United States Government itself.
Buy as many more at the present
low rate as you can afford. If you
hold them to maturity you are bound
to make the difference between what
they sell at now and their face value.
You will also receive good interest
on your investment.

VERY KIND THIS.

The British Government an-
nounces that in future Irish politi-
cal prisoners will receive better
treatment than is given the other
classes of prisoners. Now is not
this very kind of the Government?
And only think that those political
prisoners have not been accused of
any crime, which of course makes
the leniency of the Government the
more astounding. What is the
world coming to at all!

ACTS THE SAME.

"Do you act toward your wife as
you did before you married her?"
"Exactly. I remember just how I
used to act when I first fell in love
with her. I used to lean over the
fence in front of her house and gaze
at her shadow on the curtain, afraid
to go in. And I act just the same
way now when I get home late."

NEAR SIXTIETH YEAR.

His Eminence Cardinal Gibbons,
of Baltimore, will on June 30, 1920,
enter upon his sixtieth year in the
holy priesthood, and on the same day
will begin his thirtieth year as a
member of the Sacred College of Car-
dinals.

EDUCATORS TO ASSEMBLE.

The seventeenth annual meeting
of the Catholic Educational Associa-
tion of the United States will be
held at New York City on Monday,
Tuesday, Wednesday and Thursday,
June 28-July 1, under the auspices of
His Grace Most Rev. Patrick J.
Hayes, Archbishop of New York. A
very cordial invitation was extended
by the Archbishop to the association
when it met in St. Louis in June,
1919, to hold the next annual meet-
ing in New York, and the invitation
was accepted with thanks. Arrange-
ments have been practically complet-
ed, and a successful meeting of the
association is assured. The general
program has been outlined and writ-
ers are preparing papers on the sub-
jects assigned to them.

BONE DRY TEAM.

Bryan and Johnson—there is the
ticket. No, not Hiram, but Pussey-
foot Johnson. Billy wearing his
golden crown and Pussey with his
dry glass eye, both foaming at the
mouth with "wet stuff." Wouldn't
they make a team of "bonedrys."
And the reply to the Guardian's
query is that they would and then
some. The horror of the suggestion,
however, is that they might lose their
grat.
